Aquarius

January 20 – February 18

You’ve been feeling a bit uninspired lately. Everything in your life is, well, just fine. The best antidote: a trip somewhere exotic that will open your eyes to new things and provide inspiration for months to come. With its rich mixture of Caribbean, Latin, and Spanish cultures, Cartagena more than fits the bill. Check in at **Hotel Casa San Agustin** before taking a leisurely walk through nearby Getsemani—a bohemian, artsy neighborhood that’s home to bold murals, street musicians, and trendy restaurants—and ending at the **Castillo San Felipe de Barajas**, an ancient castle built by the Spanish in 1536. After getting in your steps for the day, ask your hotel to arrange a boat ride to **Playa Blanca**, a nearby beach where you can sip on mojitos and dine on fresh ceviche.
